**PARISH VISION STATEMENT**

Our Lady Help of Christians Parish will strive to be a Christ-centred community, led by the Holy Spirit to bear witness to the Gospel message, nourished and strengthened by the Eucharist and the Sacraments. Following the model of Mary our Mother, our parish will be a place of welcome and mutual encouragement to all who seek to love God and their neighbour, and to manifest this love in their daily lives. In this way we will build up the Kingdom of God in our local community.

**PRAYER TO ST. MICHAEL, THE ARCHANGEL**

(Promulgated by Pope Leo XIII)  
 St. Michael the Archangel defend us in battle; be our safeguard against the wickedness and snares of the devil. May God rebuke him, we humbly pray, and do Thou, O Prince of the Heavenly Host, by the power of God, cast into Hell, Satan and all the other evil spirits who prowl through the world, seeking the ruin of souls. Amen.

**ENTRANCE** All that you have done to us, O Lord, you have done with true judgement, for we have sinned against you and not obeyed your commandments. But give glory to your name and deal with us according to the bounty of your mercy.

**RESPONSE** The precepts of the Lord give joy to the heart.

**GOSPEL ACCLAMATION** Alleluia, alleluia! Your word, O Lord, is truth: make us holy in the truth. Alleluia!

**COMMUNION** Remember your word to your servant, O Lord, by which you have given me hope. This is my comfort when I am brought low.

**CATHOLIC WEEKLY**  
 Currently **UNAVAILABLE**

**PLEASE PRAY FOR**

**HAVE YOU CONSIDERED PRIESTHOOD?** God's love for us has been revealed: "Love one another as I have loved you. The world is in need to see people who are striving to love others with all their hearts. What about you? Please contact the Vocations Team at [priesthood@dow.org.au](mailto:priesthood@dow.org.au)

**THE BISHOP'S ANNUAL APPEAL** to support the care and health of retired clergy in our Diocese, and local parish ministries occurs this weekend. As happened last year because of covid restrictions and lockdown the appeal is being made online via the Diocese of Wollongong website. I encourage all who can, to please make a donation by going to [www.dow.org.au/giving](http://www.dow.org.au/giving) or phoning (02) 4222 2446. Thank you. Go online and watch the video.

**COVID UPDATE** The Premier announced that once we reach 70% of people with double vaccination, many of the current restrictions will be lifted or modified. We do not have all the details and must wait until we do before making any firm plans. However, it seems that we will reach this point about mid-October and if the information is correct, we will be able to have Mass according to the 4 square meter rule as previously, which means about 200 people for us at Rosemeadow church. As further details are released, I will keep you informed by email, the bulletin and the parish website.

**MASSES** I will continue to livestream the **SATURDAY 6 PM VIGIL MASS AND TUESDAY 6.30 PM weekday Mass**. The direct link to the parish YouTube channel is: [https://www.youtube.com/channel/UCIQhkeubtYCBu\\_elfcglmaw](https://www.youtube.com/channel/UCIQhkeubtYCBu_elfcglmaw) or by accessing it from the Parish Website. Please pass this information on to any other parishioner you are in contact with.

**ROSARY** via Zoom from Fr. Sarkis' private chapel in the Presbytery each Thursday at 7pm. Join from PC, Mac, Linux, iOS or Android at <https://dowcatholic.zoom.us/j/64552343492> or use the QR code at the right.

**FUNERALS** are still permitted but with a cap of 10 people attending, excluding the Priest and funeral directors.

**WEDDINGS** Small weddings are now possible with up to 5 guests. Contact Fr. Sarkis through the Parish Office for these.

**BAPTISMS** are all suspended until current restrictions are lifted.

**PARISH OFFICE** Unfortunately, the Parish Office must still remain closed during this time and Mrs. Meshline Wolczak will work from home and will come to the office when necessary. You may still contact the parish office by telephone or email, and we will attend to your requests as soon as we can. Please be understanding and patient during this difficult time.

**CUPOLA REPAIRS** I am happy to say that internal repairs to the ceiling and wall area of the Cupola and Sanctuary began this week. It is hoped that they will be completed within 2 to 3 weeks, meaning the church will be ready for re-opening, please God, in mid-October when hopefully restrictions are lifted.

*St. James warns in today's second reading that those who hoard their wealth and live only for themselves will be condemned. But in the Gospel, Jesus assures us that all who give of themselves for His sake will be rewarded.*

Please remember the critical need for parish income via the Planned Giving to continue. Without this regular and ongoing income, the parish's ability to operate is severely impacted. This is why I have been encouraging parishioners to transition from envelopes to Direct Debit Giving. If you wish to do so, email the parish office, or ring and leave a message and we will contact you to arrange this. Otherwise, please drop your planned giving envelopes into the secure letter box at the parish office, or at the fence box if the gates are closed. *I want to thank all those parishioners who have continued to do this during this lockdown period and ask others to please do the same. I also thank those who have made donations to the Parish.* Please don't forget the first collection either- I still have to live even in the lockdown! *Thank you to all those who have kindly done so. God bless you all and your families.*

Please remember to let the parish office know if you have changed your email or phone details so we can keep our records up to date. And let other parishioners know if they have not registered their own email address with the parish office to please do so by email or phoning us. They will then receive emails and updates directly. Updates are also accessible in the parish bulletin which is uploaded every week to the Parish Website.

My brothers and sisters, let us continue to pray for each other to be strengthened in faith and hope during these testing times. I especially pray for you all in my daily Mass and prayers; please pray for me also. May our Good God look kindly and mercifully upon us that the viral situation will be brought rapidly under control, and the isolation and terrible consequences of the lockdown, especially upon individuals and families will soon end. May our Patroness, Our Lady Help of Christians, and great St. Joseph, pray for us.

**COVID VACCINATION** I have been asked by many parishioners for advice, morally and ethically, about receiving covid vaccines. To this point, I have not said anything publicly other than I believe that citizens should be given the choice as to which vaccine they receive. I have counselled and advised people privately as they have asked advice of me. However, because of the amount of information (and misinformation) circulating about this issue and the confusion it is causing for many people who are genuinely and sincerely trying to decide the moral and ethical position of such vaccines, and whether or not to receive them, I have decided to write to you about this, which I hope you will find helpful. I would be happy for you to refer anyone to this information whom you may think would benefit from it. On 21 December 2020, the Catholic Church's Sacred Congregation for the Doctrine of the Faith, released a Note on the morality of using covid19 vaccines. There is much information (and misinformation) circulating about this. Below is a summary of the Church's position.

- It is morally licit (permissible) to be vaccinated against Covid-19.
- No one is morally compelled, for reasons of conscience, to be vaccinated and this must be respected. If, however, a person makes this decision then they are also morally and ethically bound to avoid any risk to the health of those who cannot be vaccinated for medical or other reasons, and who are the most vulnerable.
- Of the two vaccines currently available in Australia the Pfizer or Moderna vaccine is preferred over AstraZeneca, ethically speaking.
- If AstraZeneca is the only available choice to a person, it is morally permissible to receive it.
- In making a decision about being vaccinated, persons should take into consideration the need not only to safeguard their own personal health, but (and especially in our current pandemic situation) the common good of others especially in terms of preventing the spread of disease to the vulnerable.
- In the absence of other means to stop or even prevent the epidemic, the common good may recommend vaccination, especially to protect the weakest and most exposed.

Summarising, two important points must be both fully respected and upheld.

1. No one, who for reasons of conscience (properly informed and educated) based on the Natural and Moral Law, can be compelled to be vaccinated against their will and this must be respected.
2. All persons are free, morally and ethically, to be vaccinated in good conscience in accordance with the teachings of the Catholic Church. While Pfizer or Moderna is to be preferred if that is possible, if it is not then it is permissible to receive the AstraZeneca vaccine. Indeed, if this is the only one available, then people are encouraged to receive it not only for their own personal good, but especially in the current pandemic situation where the common good of the community must be balanced against the personal good of the individual, they are recommended to do so.

Therefore, I would advise all who can be vaccinated to do so in the knowledge and confidence that, morally and ethically, you are acting for the good not only of yourself personally but for the common good of all. If any parishioner would like to discuss this with me personally, please ring the Parish Office and leave a message, and I will return your call as soon as possible.
